

day 2

I'm packing to sail,  
what should I wear?

Welcome to the second challenge of our #creativeindoorchallenge !!!  
Today we will pack the suitcase for our boat trip, and help our friends get ready and dressed.

Please print the two following pages for as many people as you wish to participate at home.

**Today you will only need paper, scissors, and colours or markers.**

First we will colour the boy and the girl, as well as their clothes. You can use as many colours and as many designs as you can imagine! Once everything is coloured, we ask an adult to help us cut with scissors on the edges, so we can help them get dressed. You will see little tabs on the clothes, which will be folded behind the bodies, so they can be dressed.

Enjoy this activity of our #creativeindoorchallenge with your parents, who can help us get through it! The more we help each other, the better results we will achieve together!

Remember to follow us on instagram @ourboxparties so you can participate in the challenge and post your challenge on your feed or story tagging us and using the hashtag #creativeindoorchallenge so we can see your beautiful activities!

*Share this challenge with your friends, family, neighbours, and teachers!*

*We can be creative and fun while being indoors, and enjoy this beautiful time together!*

**Stay safe, remember to wash your hands, and enjoy being creative!!!**
